

House of Ruth Maryland

Mission

The House of Ruth Maryland leads the fight to end violence against women and their children by confronting the attitudes, behaviors and systems that perpetuate it, and by providing victims with the services necessary to rebuild their lives safely and free of fear.

Vision

One day, every woman in Maryland will be safe in her own home.

Values

We are fearless in our quest to end violence against women and their children, independent in our thinking and never willing to compromise on justice.
